RE: Approval of Removal Action  
14 Response to Comments

Dear Mr. Craig:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Response to Comments for Removal Action 14-Contaminated Soils Adjacent to the Sewage Treatment Plant Incinerator Work Plan.

U.S. DOE's response to Comments adequately addresses U.S. EPA's comments of May 15, 1992.

Please contact me at (312/FTS) 886-0992 if you have any questions.

Sincerely,

James A. Saric  
Remedial Project Manager
